We are now $\frac{2}{3}$'s of the way through Term 3. This is a reminder for LHS Seniors that their last day is Thursday, May 30th which means they only have 14 days of their high school career left.

Congratulations to our 36 Seniors recognized this past Wednesday as Jerry Marshall Olympiad Award recipients. It was a great evening to honor your accomplishments at LHS!

We are celebrating Teacher Appreciation Week!!! Celebrating May 5-10, this week gives us an opportunity to recognize and express our gratitude for the hard work, dedication, and achievements of our outstanding educators. Teaching is a challenging and demanding profession, requiring patience, dedication, and a deep commitment to students' growth and well-being. Teachers serve all students, no matter their background, socioeconomic status, or ability, providing a level playing field for children from all walks of life. They show up every day with enthusiasm and passion for helping our students succeed.

We also must remember the critical role teachers play in shaping the future of our society. They are actively preparing the leaders, innovators, and thinkers of tomorrow for the opportunities and challenges that lie ahead. Join us in celebrating Teacher Appreciation Week by taking a moment to thank a teacher who has made a positive impact on your life or the life of your child. Write a heartfelt note, send an email, or make a post on social media expressing your gratitude. Let's make sure our teachers know just how much we value and appreciate all they do!

We continue Advanced Placement testing next week. Good luck to students during this last week of testing.

 Come listen to all of our district strings students from grades 6-12 perform at the Lincoln High School Fieldhouse on Monday, May 13th at 6:30 pm!

Our end-of-the-year celebrations continue this Wednesday at 6:30 p.m. in the LHS Cafeteria Commons with our Athletic Department Evening of Roses academic recognition.

Further members selected “Dawning of a New Day” for the seventh annual Rise to Remember event on Tuesday, May 14, at 6:00 p.m. in the PAC.

May is Mental Health Awareness Month. We have an opportunity to break the stigma around mental health on our campus by talking openly, compassionately, and kindly to each other. No one should ever struggle alone.

School staff are the backbone of student well-being, but remember that you also can't pour from an empty cup.

During Mental Health Awareness Month, NAMI joins the mental health community to reaffirm our commitment to building our understanding of mental illness, increasing access to treatment, and ensuring those who are struggling know they are not alone.

If you or someone you know wants to be connected to a mental health care provider, contact Care Solace, a complimentary and confidential mental health care coordination service provided by Wisconsin Rapids Public Schools:

- Call 888-515-0595. Multilingual support is available 24/7/365.
- Visit www.caresolace.com/wrps and either search on your own OR click “Book Appointment” for assistance by video chat, email, or phone.

Don't hesitate to ask for help, use the resources around you, and never give up hope.

SAT registration is open for the 2024-25 testing year. Many colleges consider SAT scores as part of their holistic admission and placement decisions, and your score is a valid way to show what you've learned. Most juniors take their first SAT in the spring, and many take it again in the fall of their senior year to improve their score. It can help you keep your college options open, demonstrate your unique strengths, and even qualify for scholarships.
