BACKGROUND

**Business Services Committee**

# June 3, 2024

- LOCATION: Board of Education Office, 510 Peach Street, Wisconsin Rapids, WI 54494 Conference Room C
- TIME: Immediately following the Educational Services Committee Meeting, but not before 6:15 p.m.
- I. Call to Order
- II. Public Comment
- III. Actionable Items
  - A. Visitor Management System for Schools Approval

The District currently uses the Raptor Visitor Management system for our background check system when visitors check into our schools, temporary badges and keeps a log of who is signed into our buildings throughout the day.

The District has piloted Verkada Guest Access, a visitor management system offered by Heartland Business Systems. This system was tested to look for an updated solution with some additional features that were not currently offered by Raptor. Verkada Guest Access offers customization at each building, full integration with appropriate background checks, and many enhanced features including text messaging capabilities to those signed in (see Attachment A).

The administration recommends approval for the purchase of a 5-year license to the Verkada Guest Visitor Management system and all included hardware from Heartland Business Systems at a total cost of \$36,187.25 to be funded from a combination of the District Technology budget, Buildings and Grounds Budget, and the Technology Referendum budget.

B. Supply Bid - Approval

Each school year the Building and Grounds Department obtains bids for clay, colored paper, custodial supplies, general supplies, and nursing supplies. The total cost of the bids from multiple vendors is \$114,828.26 (see Attachment B).

The administration recommends approval of accepting these bids from multiple vendors for a total cost of \$114,828.26 to be paid out of the 2024-25 District Supply Budget.
